Capacity of argumentation and persuasion, participating in public debates on various topics of interest organized by the faculty (Educational Caravan).

Organisational / managerial skills
By coordinating projects within the high school student Council "Dan Barbilian" and by being an Arges county students council member (2010-2011) helped me develop qualities of a leader and helped me gain confidence and take initiative in organising extracurricular activities. Thus, I had the chance to see how it's like to be a team leader and manage a project.
